

Dr. Ashutosh Tiwari receives 2013 IAAM Medal

Dr. Tiwari was awarded the 2013 IAAM medal by the International Association of Advanced Materials for his notable research contributions in Materials Science and Engineering. The medal was presented by Prof. Hisatoshi Kobayashi, the President of IAAM, at the opening ceremony of the Advanced Materials World Congress (AMWC-2013) held on 16-19 September, 2013 at Çeşme, Turkey. The award was followed by Dr. Tiwari's IAAM medal lecture "Oxides for Spintronics".
